CIDERS							
<input type="checkbox"/>	<input type="checkbox"/>	Cider	Ross Cider	FOXWHELP – 2019		Foxwhelp. It seems the world just cannot get enough of this sour, tangy, zippy, crushing, punchy, powerful acidic number. The big red button for intense, flavoursome cider. This is a pure 2019 vintage cider – but even after three years, the intensity of the Foxwhelp is still there, and so is all of the strawberry and rhubarb fruit flavours cruising through the drink.	
<input type="checkbox"/>	<input type="checkbox"/>	Cider	Ross Cider	MAJOR S.V. – 2021		A bold and characterful bittersweet apple, Major is always a cider that packs plenty of flavour. Rich, and fruity, Major tends to have a combination of bold spiced apple in the mid palate with medicinal, phenolic tannins on the finish. A real favourite of Ross Cider drinkers and a statement cider.	
<input type="checkbox"/>	<input type="checkbox"/>	Cider	Ross Cider	SOMERSET REDSTREAK S.V. 2021		Pét Nat A favourite bittersweet, Somerset Redstreak is a softer, lighter apple with gentle tannins that make for a very drinkable and enjoyable cider. An apple with medium body, juicy red apple flavours, with some apricot and pineapple high notes giving a fruity character.	
<input type="checkbox"/>	<input type="checkbox"/>	Cider	Ross Cider	Reinette d’Obry SV	6.0	A widespread but undervalued apple - it produces a soft sharp flavour with gentle lemony acidity, with notes of yellow fruits - pineapple, banana, a touch of melon. A really juicy and delightful, easy to drink cider.	
<input type="checkbox"/>	<input type="checkbox"/>	Cider	Ross Cider	Bartestree Squash & Gin Pear Blend Perry	5.6	A really refreshing and fruity perry. Bartestree Squash provides some gentle and pleasant green kiwi-like acidity which melds seamlessly into our Gin Pear - a floral perry with lip-smacking, bitter tannins that give structure and elegance to this delightful drink. Our Gin Pear trees have all been killed by fireblight since we made this perry, but 50p from every pint drank will be spent on repopulating our perry orchards and helping to propagate the new varieties of the future!	
<input type="checkbox"/>	<input type="checkbox"/>	Cider	Ross Cider	‘Birdbarker’	5.7	Medium Dry Sparkling Cider, a blend of bittersharp and bittersweets with carbonation – resulting in a cider with a full mouthfeel, and a more tannic backbone than mainstream commercial ciders. Easy to drink, entry level cider, with a fun modern label featuring our loyal collie Summer. Without sheep on the farm to herd, she took to chasing the birds.
